

# BABY CHERISH—

StH, 2011

Following the consolidated success of the Cherish chair, we introduced a children's version in 2011. Baby Cherish takes after its "parent" chair in its design, material, ergonomics and durability, allowing children to immediately use a chair made just for them but as beautiful as the adult one.

**BABY CHERISH** — Sull'onda del successo consolidato della sedia Cherish, nel 2011 è nata la versione per i bimbi. Baby Cherish riprende dalla seduta "dei grandi" il design, il materiale, l'ergonomia e la resistenza, permettendo ai più piccoli di avere fin da subito una sedia su misura bella come quella degli adulti.

**BABY CHERISH** — La version pour enfants a vu le jour en 2011, sur la vague du succès remporté par la chaise Cherish. Baby Cherish s'inspire du modèle « des grands » dans son design, son matériau, son ergonomie et sa résistance, permettant ainsi aux plus petits d'utiliser dès leur plus jeune âge une chaise faite sur mesure pour eux, mais aussi belle que celle des adultes.

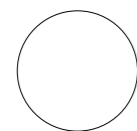

**BABY CHERISH** — Auf der konsolidierten Erfolgswelle des Stuhls Cherish entstand im Jahr 2011 die Version für Kinder. Baby Cherish übernimmt vom Stuhl für Erwachsene das Design, das Material, die Ergonomie und Langlebigkeit, so haben die Kleinen jetzt auch von Anfang an einen Stuhl, der eigens für ihre Größe entwickelt wurde, aber ebenso schön ist wie der für die Erwachsenen.
