

Upholstery

GUBI offers three different upholstery options

1. UPHOLSTERY ASSORTMENT: "RECOMMENDED BY GUBI"

These are typologies of fabrics and leathers in a wide and carefully selected range of colors, produced in high-quality materials by GUBI's preferred upholstery suppliers and represents what we recommend for use on our upholstered products. Product suitability among the recommended assortment can always be confirmed based on our dedicated suitability matrix. We kindly ask our partners to use these recommended fabrics and leathers in the recommended colors when possible.

Hangers representing the full recommended upholstery assortment are available to order and single swatch samples can be ordered on UPHOLSTERY.GUBI.COM (in Europe only). Orders on fabric and leather ranges that are part of GUBI's recommended assortment, but in other colors than those recommended, will be accepted, but not further supported with samples or images. Longer lead times must be expected for such orders.

2. OTHER "NON-RECOMMENDED" FABRICS (by GUBI-Preferred Supplier of Upholstery)

We accept orders in non-recommended fabric or leathers if they are supplied by one of GUBI's preferred upholstery suppliers (please see the "Supplier of Upholstery" list on next page). However, such orders will only be accepted against a minimum order value of Partner Trade Price (PTP) EUR 8.000 / DKK 57.000 / NOK 80.000 / SEK 83.700 per configured item (freight charges not included).

If you want to order a GUBI product in a non-recommended fabric or leather, a test will typically be required prior to placing such an order to make sure that the upholstery is suitable for the product and meets our strict quality requirements. The processing time for such a test is typically 2-3 weeks and an administration and testing fee of EUR 100 / DKK 750 / NOK 1.000 / SEK 1.000 will be applied to the order.

If the non-recommended upholstery is not from one of GUBI's recommended upholstery suppliers, the order will be handled as COM/COL.

3. COM/COL*

*COM =Customer's Own Material

*COL= Customer's Own Leather

COM/COL orders will only be accepted in non-recommended upholsteries if the given upholstery is sourced from a non-recommended GUBI supplier (please see the "Supplier of Upholstery" list on next page).

COM/COL orders will only be accepted against a minimum order value of Partner Trade Price (PTP) EUR 8.000 / DKK 57.000 / NOK 80.000 / SEK 83.700 per configured item (freight charges not included).

For COM/COL orders an upholstery suitability test may be needed before processing the order. This is in order to determine the suitability of the material and to make sure it meets our strict quality requirements. The processing time for such test is typically 1-2 weeks from when the material is received. An administration and testing fee of EUR 50 / DKK 350 / NOK 500 / SEK 500 will be added to the order. Production lead time is approximately 3-5 weeks from confirmed receipt of the COM/COL material at the factory.

COM/COL products are charged at price group "C".
