COPENHAGUE DEUX

The Bouroullec brothers' Copenhagen Deux collection is a versatile range of tables and benches designed especially for compact spaces. The collection includes dining tables, coffee tables and benches in a wide variety of shapes and sizes, which all share the same light, uncluttered profile. The table top surface is made from a laminate based on nanotechnology, which provides an ultra-matt surface with a soft touch that is anti-fingerprint and easy to clean. Ideal for offices, homes and cafés and anywhere tight on space.
