
Beetle Counter Chair, Seat Upholstered - 67 - Conic Base

Designed by GamFratesi - 2013

ITEM NUMBER

10236

DESCRIPTION

Taking inspiration from the four-legged creature - the beetle, GamFratesi has been looking closely at its characteristic elements: shape, shells, sutures, rigid outside and soft inside. With its polypropylene plastic shell and seat upholstery, the Beetle Counter Chair has a light expression with an additional comfort. Thanks to its wide spectrum of colour options and upholstery possibilities, the counter chair encourages for personalisation. Due to its unique design, the seat upholstery can also be changed with time to give the chair a different expression and new life to the interior decoration. The height of the counter chair contributes to its light expression, which makes it blend into any interior naturally and with grace. The comfortable yet dynamic design makes the Beetle Counter Chair suitable for multiple environments whether it is in the home or the workplace.
