

ABOUT A CHAIR / AAC 53 SOFT

DESIGN BY HEE WELLING & HAY

The softness and warmth of the quilted shell modifies the executive weight of the AAC Soft 53 chair, bringing a welcoming expression to the otherwise functional and technical genre of office chairs. Retaining the same curved shell and unified silhouette that characterises the entire series, the design features a five-legged castor base with a gas lift that can adjust the seat height by a range of 14 cm. The base is available in polished or powder-coated aluminium, and the shell is offered in a variety of upholstery options, providing a multitude of design combinations that give the chair versatility in a wide range of corporate, public, and private contexts.

PRODUCT DETAILS

- / Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- / The 5-legged base is equipped with a semi-automatic gas lift.
- / Adjustable seat height varies from 42 to 56 cm.
- / Soft quilted upholstery with added wadding in a large selection of fabrics and leathers.
- / Variety of textiles and base finishes.
- / Other upholstery options are: a non-quilted full upholstery in a large selection of fabrics and leathers.
- / Other base options are: moulded plywood base, aluminium swivel base, 4-leg steel tube base and 4 star wheel base.
- / Suitable for a wide variety of private and public environments.
- / Qualified for contract use.
