

Root series

Designed by Pavel Vetrov, Ukraine

A side or coffee table that will add a sculptural element to any space. Designed by Ukrainian designer Pavel Vetrov with a minimalist expression that highlights the luxurious materials – solid oak and Italian marble, carved into perfectly balanced shapes. Handcrafted in FSC®-certified oak.

Meet the designer

The Ukrainian designer, Pavel Vetrov, is particularly inspired by music and the world around him. Using a simple approach to the design process, he seeks to eliminate all unnecessary noise from his products in order to create something that is eye-catchingly simple. And for him, tactile, authentic materials and the intended function are the epitome of good design.
