

Graceful series

Designed by Michael H. Nielsen, Denmark

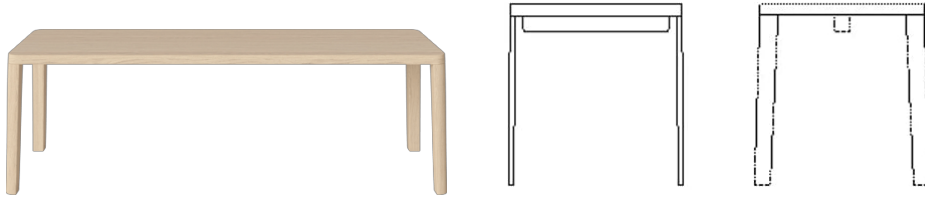

Designer Michael H. Nielsen created the Graceful Series based on the principle 'less is more'. The details are kept to a minimum, allowing each design to speak its own distinctive language. The series includes a bench and different tables such as desks, dining tables and coffee tables. The designs share the characteristic unbroken surface that emphasizes the clean and classic design inspiration. Graceful is FSC®-certified and is available in different sizes, shapes and formats.

Meet the designer

My style is characterized by keeping the focus on the detail and "edge" that separates my designs from the crowd. One of my biggest influences is to register how much diversity there is among people and try to meet the very different needs that it creates. I've always been fascinated by the craftsmanship and the interaction between craftsman and designer. Good design is what gives meaning and value to the people who use it.
