

COVER LOUNGE CHAIR

THOMAS BENTZEN ON THE DESIGN "The Cover Lounge Chair came from a desire to create a comfortable lounging design in wood that was at once modern and timeless whilst deeply rooted in the traditions of Scandinavian craftsmanship. Shaping its backrest, seat and armrest covers in a form-pressed veneer made for a crisp and contemporary expression, paired with the elegant sentiments of its base in solid wood. The Cover Lounge Chair has a large, embracing seat while taking up little space in the room, joined by a refined yet durable appearance."

Yes

DESCRIPTION

By combining the ideals of Scandinavian design with a modern design language, the Cover Lounge Chair has a simple yet characteristically refined expression. The design features a grand seat while taking up little space in the room, complemented by its unique details of curved back, wooden armrest covers and slightly curved seat for any private or professional space.

MATERIAL

The Cover Lounge Chair is made from form-pressed wood. The wood is folded over the chair's legs and back rest. This technically innovative wood layering helps lock the elements of the chair together. Upholstered seats are with textiles from Kvadrat or Refine Leather. Oak version: Seat, back and armrests in form-pressed oak veneer. Frame and legs in solid oak. All parts in water-based lacquer. Colored versions: Seat, back and armrests in ash veneer. Frame and legs in solid oak. All parts in water-based lacquer.

CLEANING AND CARE

For textile versions, please find cleaning instructions for your chosen textile at kvadrat.dk For leather versions clean leather with a dry cloth regularly. Treat the leather when needed using only special leather treatment products. For wood versions clean the chair with a damp cloth. If necessary only use a mild detergent or washing up liquid and not concentrated. Always wipe with a dry cloth afterwards. To minimize the risk of stains and marks, liquid, grease etc. should be removed straight away. Both versions with PU lacquer and water-based lacquer of this product can be cleaned with alcohol disinfectant. However, please note that as wooden products will get patina where the surface color can slightly fade. If cleaning is uneven, this may become even more apparent yet the lacquer will stay in place. For wooden products in lighter colors, the patina will be less apparent.

SPARE PARTS

Plastic glide included. Felt glides sold separately.

MADE-TO-ORDER

The seat can be upholstered in the following Kvadrat textiles: Remix, Steelcut, Steelcut Trio, Canvas, Clara, Hallingdal, Divina, Divina MD and Divina Melange. Leathers from selected premium leather suppliers.

TEXTILE USE FOR CUSTOMIZED UPHOLSTERY

Textile Upholstery: 0,60 m / 0.66 yds

Leather Upholstery: 0,7 m² / 7.54 ft²
