Care Instructions

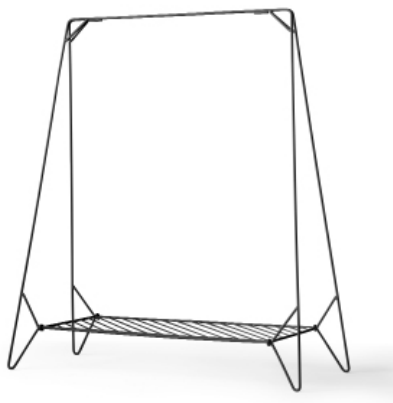

To clean, simply wipe with a soft cloth using hot water and a mild detergent.

Versatile and thoughtfully designed, Anker Rack is perfect for hotels, restaurants, offices or bedrooms. A simple hook system holds everything in place and it folds neatly away, almost flat. Anker Rack comes with a 149cm bar for hangers and coats and a wide platform to store shoes and bags. Its designers, Christian Troels and Jonas Birkebæk Poulsen, work as a two-man company from their Copenhagen studio.

About the Designer

They say that opposites attract. In the case of duo Copenhagen-based duo Christian Troels and Jonas Birkebæk Poulsen, opposites come together to create harmonious design. Christian Troels brings to the team a playful approach to design, adding character and personality to their products. "I have worked on everything from futuristic electric cars to pink horse stables for Lego," he explains. His creative partner Jonas Birkebæk Poulsen is passionate about design that focuses on new technologies and the interplay between function and aesthetic.
