SOFT EDGE 80 BAR STOOL

## PRODUCT FACT SHEET

HAY

SOFT EDGE 80 BAR STOOL

DESIGN BY ISKOS-BERLIN, 2016

Iskos-Berlin's Soft Edge series features an organically shaped design, blending strong curves with extreme lightness to create a minimalistic design that optimises human-centric comfort. Featuring a wooden seat in a variety of finishes, the Soft Edge 80 Bar Stool has long steel legs that enhance the minimalistic aesthetics and create a feeling of lightness. Available in two different heights, its strength and functionality ensure years of everyday use in a wide range of public and private environments – from corporate spaces and cafés to home environments.

HIGHLIGHTS

· Part of a family of dining chairs, bar stools and stools with steel base or solid oak legs or polypropylene seat and back with steel base.
· 3-dimensional form based on the latest developments in moulded plywood technique using ordinary plywood.
· Variety of seat and base colours and finishes.
· Suitable for a wide variety of private and public environments.
· Qualified for contract use.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
