

FOLDED SHELVES

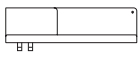

JOHAN VAN HENGEL ON THE DESIGN "Inspired by the shadow-play of layers, Folded is based on a seemingly simple bending technique of a single sheet of metal to create pockets which hold and separate your items. Featuring a subtle bolt and hooks for hanging objects, it is a versatile wall mount that can be used in both a practical and a decorative manner - suitable for organizing anything from mail to books, perfumes or spices, or just displaying your favorite belongings, in the hallway, bathroom, bedroom or kitchen."

ABOUT THE DESIGNER

A problem solver by both nature and training, Johan van Hengel's logical and investigative approach is driven by a desire to enrich everyday objects with new layers of sophistication, individuality and meaning. With a focus on function, materiality and technique, Johan van Hengel invents everyday shapes and objects with a subtle element of surprise.

CATEGORY

Wall mounted shelves

ENVIRONMENT

Indoor

DESCRIPTION

Made from a single piece of bended steel, the Folded Shelves have a graphically modern expression. To be mounted on wall. Each shelf comes with two bolts for mounting and two hooks for hanging objects on. Use it as a nightstand, in the hallway, kitchen, living room or office.

PRODUCTION PROCESS

Laser cut from metal sheets, these shelves go through a folding process. They are then lacquered with an acrylic powder coating.

MATERIAL

Acrylic powder coated bended 1,5 mm sheet of steel

CLEANING AND CARE

Remove dust from shelves with a soft cloth or remove abrasive dust particles. When necessary clean with moist cloth.
