

REVOLVER TABLE

DESIGN BY LEON RANSMEIER

Designed to accompany the family of Revolver stools, Leon Ransmeier's Revolver Table is made in powder coated steel and features the same curved edges and sense of symmetry. In terms of functionality, the circular footrest provides support, while hooks on the table legs enable coats and bags to be hung securely underneath. The table is available in different colours, and is suitable for a wide range of cafés, restaurants, and other public environments.

PRODUCT DETAILS

- / Part of a multifunctional family of bar stools and stools in a variability of colours and sizes.
- / Its versatile presence makes it suitable for a wide range of public and residential environments.
- / Qualified for contract use.

HAY

MATERIAL

Powder coated steel. Adjustable plastic gliders.

COLOUR & FINISH

Please note that the colour codes are indicative.

Available in 3 different colours:

/ Black (RAL 9005)

/ Sky grey (RAL 7038)

/ Red (NCS S 2570-Y80R)

CONSTRUCTION

The table is built with a knock-down technique, so it is easy to flat pack. The square legs are attached to the foot ring's top ring and tabletop with a total of 16 screws, which makes it extremely stable. Four adjustable gliders ensure a level surface, regardless of any uneven floors.

DIMENSIONS

DIAMETER / Ø70 cm / 27.56"

HEIGHT / 105 cm / 41.34"

TESTS

EN 15372: 2016 / Furniture - Strength, durability and safety - Requirements for non-domestic tables.

L3: Severe use
